International Medical Education Trust 2000 - Palestine

Welcome to The International Medical Education Trust
2000 - Palestine (IMET2000 - Pal)

Continuing Health Sciences Education Programme in
Palestine - 2012/2013

IMET2000 - Pal continued leading training of doctors,
nurses and dentists in healthcare issues relevant to
Palestine

Without your continuous support and help none of these
courses would have been possible

Thank you very much on behalf of the Palestinian people
