Assignment and Assessment

- **Large group teaching (lectures)**
- **Small group teaching**
- **Self-independent learning**
- **E-learning**
- **Teaching in clinical context**

Choose one of the learning activities covered in the course (above). Describe this topic in the context of Palestinian medical education system (undergraduate and postgraduate). Main themes of discussion to be addressed:

1. Summarize the relevant literature to this learning activity
2. Highlight its applicability in the Palestinian context
3. Discuss the strengths and weaknesses of this learning activity
4. Outline the changes that need to be made to improve its use and efficiency in the context of the Palestinian medical education system.

- ▶ Limit your response to a maximum of 2000 words.
- ▶ Assignment has to be presented in PDF format and to be e-mailed to d_abutayeh@yahoo.com
- ▶ Deadline is August the 1st 2013.

▶ ▶ The top mark will be granted a bursary award to participate in the next annual meeting of AMEE (Association of Medical Education in Europe).

Good luck
